

**Hayley's Swimming
School**

Hayley's Swimming School,

Flat 1,

16 Church Road

West Kirby

CH48 0RW

hayleyswimming1@gmail.com

07837 307404

www.hayleysswimingschool.co.uk

Welcome to Hayley's Swimming School, below you will find the information you will need when you bring your children for their swimming lessons...

Appropriate swimwear

Please ensure that children are wearing appropriate swimwear. Girls to wear swimming costumes rather than bikinis and boys to wear swimming trunks or tight shorts (the baggy ones just make it harder for them to move through the water). Any long hair tied back and jewellery and watches removed.

Payments

Payment can be made by card using the link from the invoice. We also accept payment by cheque, made payable to Hayley's Swimming School sent to this address: Flat 1, 16 Church Road, West Kirby, CH48 0RW (please write your child's full name on the back of the cheque) or to make a payment using your online banking facility, please use the following details...

Sort code: 09-01-28

Account number: 54200934

Please remember to use your child's initial and surname as your reference e.g. for Jane Smith use "JSMITH".

Finding us and parking

**Stanley School,
Greenbank Drive,
Pensby,
Wirral,
CH61 5UE**

From Pensby Road, turn into Greenbank Drive and drive right to the end of Greenbank Drive. You will see the entrance to Pensby Primary School. Drive into the school and follow the road (one way) round. On your left you will see the entrance to Stanley School. There is plenty of parking to your right.

To get into the pool please enter through the green gate on the left just before the main entrance to Stanley School and follow the signs to the Swimming Pool.

There will be members of staff at the entrance to guide you.

When leaving the site please be aware that it is a one way system so carry on in the same direction and exit onto Kentmere Drive (the barrier will lift as your car gets close).

1. Please arrive '**BEACH READY**'. This means swimming costume/trunks on and robe/dressing gown or onesie over the top. Please stay in your car until a five minutes before the beginning of your lesson and queue 2m apart outside the door. You will be called forward to enter the building once it is time for your child's lesson. **Shoes must be removed and masks must be worn inside the building.**
2. There is an anti-clockwise one way system which is marked by arrows around the poolside. **The showers are not to be used.**
3. As you enter the building there will be an NHS QR code to scan if you wish. Open the NHS COVID -19 App and follow the link to the venue check in for Test and Trace. This can be done while you are sitting waiting for your child's lesson to finish or after you leave for the parents in the water.
4. After the lesson the changing rooms will be available to use and there will be signs up to show you where to go but if you are able to leave without using them by just putting on a robe and removing your child's costume underneath the leave that would be preferred. If you use the changing room please do come back onto the poolside to exit and leave through the fire door ensuring you keep a 2m distance from others and teachers.
5. Parents of **Improvers**, you may walk your child onto the poolside (**wearing a mask**), put their robe on a designated place each then they will then be directed to a cone to sit at for their lesson to begin. You may wait on the poolside on your child's designated space.. At the end of the lesson the children will be able to walk back to you and put their robe back on or walk to the changing rooms with you.
6. As you enter the pool building please put on your mask, remove shoes, your child's robe and use the sanitizer supplied.
7. During the lessons please stay in the vicinity. Toilets are available directly from the poolside if needed but if it can be avoided, even better.
8. Each class will leave when instructed by the teachers. Beginners and accompanying parent or guardian exit the water quickly and enter the changing rooms. Improvers will be go to parents or guardians on poolside to put on robe and leave through the fire exit or enter the changing rooms.

9. Please change as quickly as possible to allow time for the changing rooms to be wiped down between uses.
10. There will be staff directing you to the exit.

Please note:

- Shoes must be removed before entering the poolside area.
- Masks must be worn inside the pool building by attending adults unless in the water unless exempt.
- Only 1 adult with each child.
- Teachers will not be wearing masks/visors but observing the 2m rule.
- Our non-teaching staff will be wearing visors and also observing the 2m rule.

Changing rooms

There are separate boys and girls changing rooms. Children over 8 must change in the appropriate changing room; children under 8 may use the changing room appropriate to their parent if they need help changing. For example: a five year old boy would use the girls changing room if he was with his mother.

Remember: Masks must also be worn in the changing rooms.

Poolside

There will be seating areas marked by cones. Please use one area per child/adult pair.

Please do not leave the vicinity whilst your child is having their lesson.

Lessons

Each lesson is 25 minutes long to allow for as little crossover between groups as possible and sanitizing of equipment and high contact surfaces. We use back floats, arm discs and woggles (or noodles as some people call them!). We will be reducing the amount of equipment we use until guidelines are relaxed. Each child will have their own equipment for the duration of the lesson.

Thanks,
Hayley
