Stanley Venue Guidance

Hayley's Swimming School
43 South Road
West Kirby
CH48 3HG

07837 307404

hayleysswimmingschool.co.uk

Welcome to Hayley's Swimming School, below you will find the information you will need when you bring your children for their swimming lessons.

Appropriate swimwear

Please ensure that children are wearing appropriate swimwear. Girls to wear swimming costumes rather than bikinis and boys to wear swimming trunks or tight shorts (the baggy ones just make it harder for them to move through the water). Any long hair tied back and jewellery and watches removed.

Payments

Payment can be made by card using the link from the invoice. Alternatively, to make a payment using your online banking facility, please use the following details...

Sort code: 09-01-28

Account number: 54200934

Please remember to use your child's initial and surname as your reference e.g. for Jane Smith use "JSMITH".

Finding us and parking

**Stanley School,
Greenbank Drive,
Pensby,
Wirral,
CH61 5UE**

From Pensby Road, turn into Greenbank Drive and drive right to the end of Greenbank Drive. You will see the entrance to Pensby Primary School. Drive into the school and follow the road (one way) round. On your left you will see the entrance to Stanley School. There is plenty of parking to your right.

To get into the pool please enter through the green gate on the left just before the main entrance to Stanley School and follow the signs to the Swimming Pool.

When leaving the site please be aware that it is a one way system so carry on in the same direction and exit onto Kentmere Drive (the barrier will lift as your car gets close).

What to do when you arrive

1. Please arrive **'BEACH READY'**. This means swimming costume/trunks on and robe/dressing gown or clothes over the top. When you arrive please walk down Gourleys Lane and into the driveway of the pool keeping to the left hand side of the driveway. You will be called forward to enter the building once it is time for your child's lesson.
2. Please bring a bag for your's and your child's shoes (also their robe). As you enter the pool building please put on your mask, remove shoes, your child's robe and use the sanitizer supplied.
3. Parents/Guardians to move onto the seating area and get their child(ren) out of their clothes or robes.

Last updated: Monday, 4 October 2021

4. When it's time for the lesson to start, your child(ren) will be called to walk around the poolside clockwise to their class. Parents of beginner children are welcome to walk their children to their teacher (especially if it's their first time!). Please continue using the one-way system to get back to the spectator area.
5. During the lessons please stay seated. Toilets are available in the changing rooms if needed.
6. Each class will leave when instructed by the teachers, please meet your child(ren) by the meeting point (next to the changing rooms) and proceed to the changing rooms/exit.

Please note: Shoes must be removed before entering the poolside area.

Changing rooms

The **changing rooms are available for after the lesson**. Please note showers are still unavailable.

If you are accompanying your child into the changing room please take them into the changing room that you would use. If children are over 8 they should use the correct changing room for themselves.

Poolside

There will be seating for 1 parent on the poolside.

Please do not leave the vicinity whilst your child is having their lesson.

Lessons

Your child's lesson is 30 minutes long and we provide any equipment¹ they may need during the lesson.

We use back floats, arm discs and woggles (or noodles as some people call them!).

We can't wait to see you at our lessons!

¹ If your child needs to use their own equipment for medical reasons, please contact us before your child's lesson.
